Dear Tom,

There are a lot of things I'd like to say to you, but there was never the right time. We're always with Bill, or somebody else. As you said, I hope we'll be together a long, long time, but that's all I can do is hope, 'cause who knows what will happen. "Que Sera, Sera." What will be, will be.
I hope that there will always be love between us, and what do you mean by writing "if any"? I should hope you know there is. You don't know how many times, when I'm at home, I think about you & just want to be with you. I need you, Tom. I hope you feel the same. It sounded like you did, but once in a while (just once in a while) it seems that you didn't. I feel so lucky to have a wonderful guy like you. I just want you to know that I wish you all the happiness in the world. I know I've got happiness because I've got you. For now. For Always? I think back about all the good times we've had, and some of the disappointments, too. I'm running out of room, so I better sign off. Not for good, tho. Be Good & So will I.

All my Love,

Roses are red,
violets are blue,
Sugar is sweet,
And I Love You;

But the roses are wilted,
the violets are dead,
the sugar is lumpy,
Just like your head.

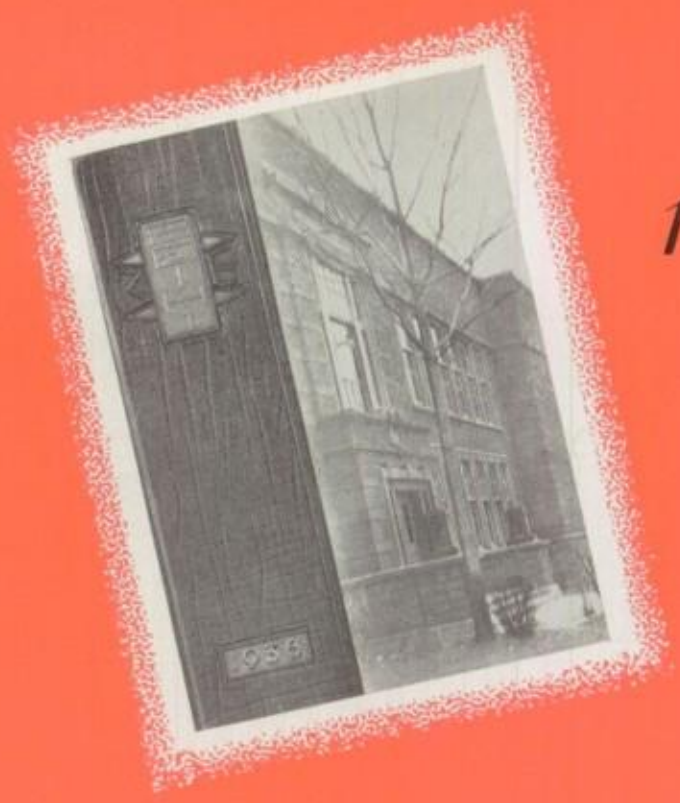
1936 Silver Anniversary Chips 1960



The Publications Class is grateful and proud to have had the opportunity to compile the silver anniversary edition of Chips.

The compilation of this edition would not be complete without a salute to Mr. Clyde W. Blanke, the "father" of the CHIPS yearbook.

Prior to 1936, the "Red and White" devoted one issue annually to the senior class. Mr. Blanke conceived the idea of a yearbook in 1936, feeling that such a publication would have a practical as well as a sentimental value to the students and the community. With the approval of Dr. H. L. Richards, Mr. Blanke proceeded with the publication of the first permanent record of a school year at Blue Island High School.

Mr. Blanke left the high school at the close of the 1936 school year, but returned in 1946 to resume the sponsorship of the yearbook, CHIPS. With the exception of 1955, Mr. Blanke continued to serve as the guiding light behind this publication through 1959. With the many pressing duties of his new position as an administrative assistant, it was decided to relieve Mr. Blanke of his sponsorship of the yearbook.

With a novice publication staff and a sponsor new to Blue Island High School, Mr. Blanke has repeatedly been called on for suggestions and answers to the many problems besetting such a group. Despite his varied duties, Mr. Blanke has given generously and patiently of his time to assist us in presenting the silver anniversary issue of the CHIPS. The Chips staff gratefully salutes Mr. Blanke for his assistance this past year.

MR. CLYDE W. BLANKE,
"father" of the yearbook.

DR. H. L. RICHARDS

SILVER ANNIVERSARY AS OUR SUPERINTENDENT

1936 1960

A single man has largely shaped and influenced the destinies of school district 218, Blue Island, Illinois. In so doing he has become tradition himself. This man is Dr. H. L. Richards, now completing his twenty-fifth year as Superintendent during the present school term. His long period of continuous service is in itself an outstanding tribute to his administrative abilities. To dwell at length upon his many accomplishments would be largely superfluous.

Dr. Richards came to the high school in Spring of 1928 as a teacher of economics, American government, and history. In addition to these duties, Dr. Richards was very successful in coaching football. In 1935, the Board of Education deemed him the logical choice to succeed the retiring superintendent.

Dr. Richards immediately proceeded to meet the problems of badly overcrowded classrooms in Old Main, augmented by a lack of funds as a result of the depression. He succeeded in securing funds from the Public Works Administration to add two wings on Old Main to ease temporaily the crowded situation. To determine future needs Doctor Richards called upon the State Department of Education and the University of Chicago to make recommendations on the building needs of our school district, projected 25 years into the future. The appraisal resulted in the purchase of a 29½ acre tract at Sacramento and Burr Oak by the board as the ideal location for a much needed educational plant.

Dr. Richards and the board were once again able to secure a government grant and in 1940 work was started on the football stadium and a quarter mile track — the initial step toward the present educational plant the board and he had in mind for the future.

The aspirations of Dr. Richards were interrupted with the coming of the second World War, when he was assigned to the quartermaster corps. In less than two years, most of which was spent in Iceland, he was promoted from the rank of second lieutenant to that of major. During the latter part of his stay in Iceland he held the demanding post of staff quartermaster for the entire air force stationed on that island.

During Dr. Richard's absence, his position was capably filled by Mrs. H. L. Richards, as acting superintendent for the duration.

Returning to peace time duties, Dr. Richards and the board quickly secured public approval for a $200,000.00 bond issue to complete the stadium, light the athletic field, build a large garage for school busses, and lay out modern tennis courts, practice football, baseball, and softball fields. Charles W. Nicol school architect, was then employed by the board to draw plans for a central academic unit to house 32 classrooms, a library, a Little Theater, study halls, cafeteria, and central administrative offices; and a gymnasium seating 4000. The community by referendum providing funds for these plans and ground was broken in the summer of 1949. The present campus building was opened in the fall of 1950 and dedicated on October 23rd, 1950, with General Dwight D. Eisenhower as the dedication speaker.

H.L. RICHARDS

A DEDICATED MAN

25

DR. RICHARDS

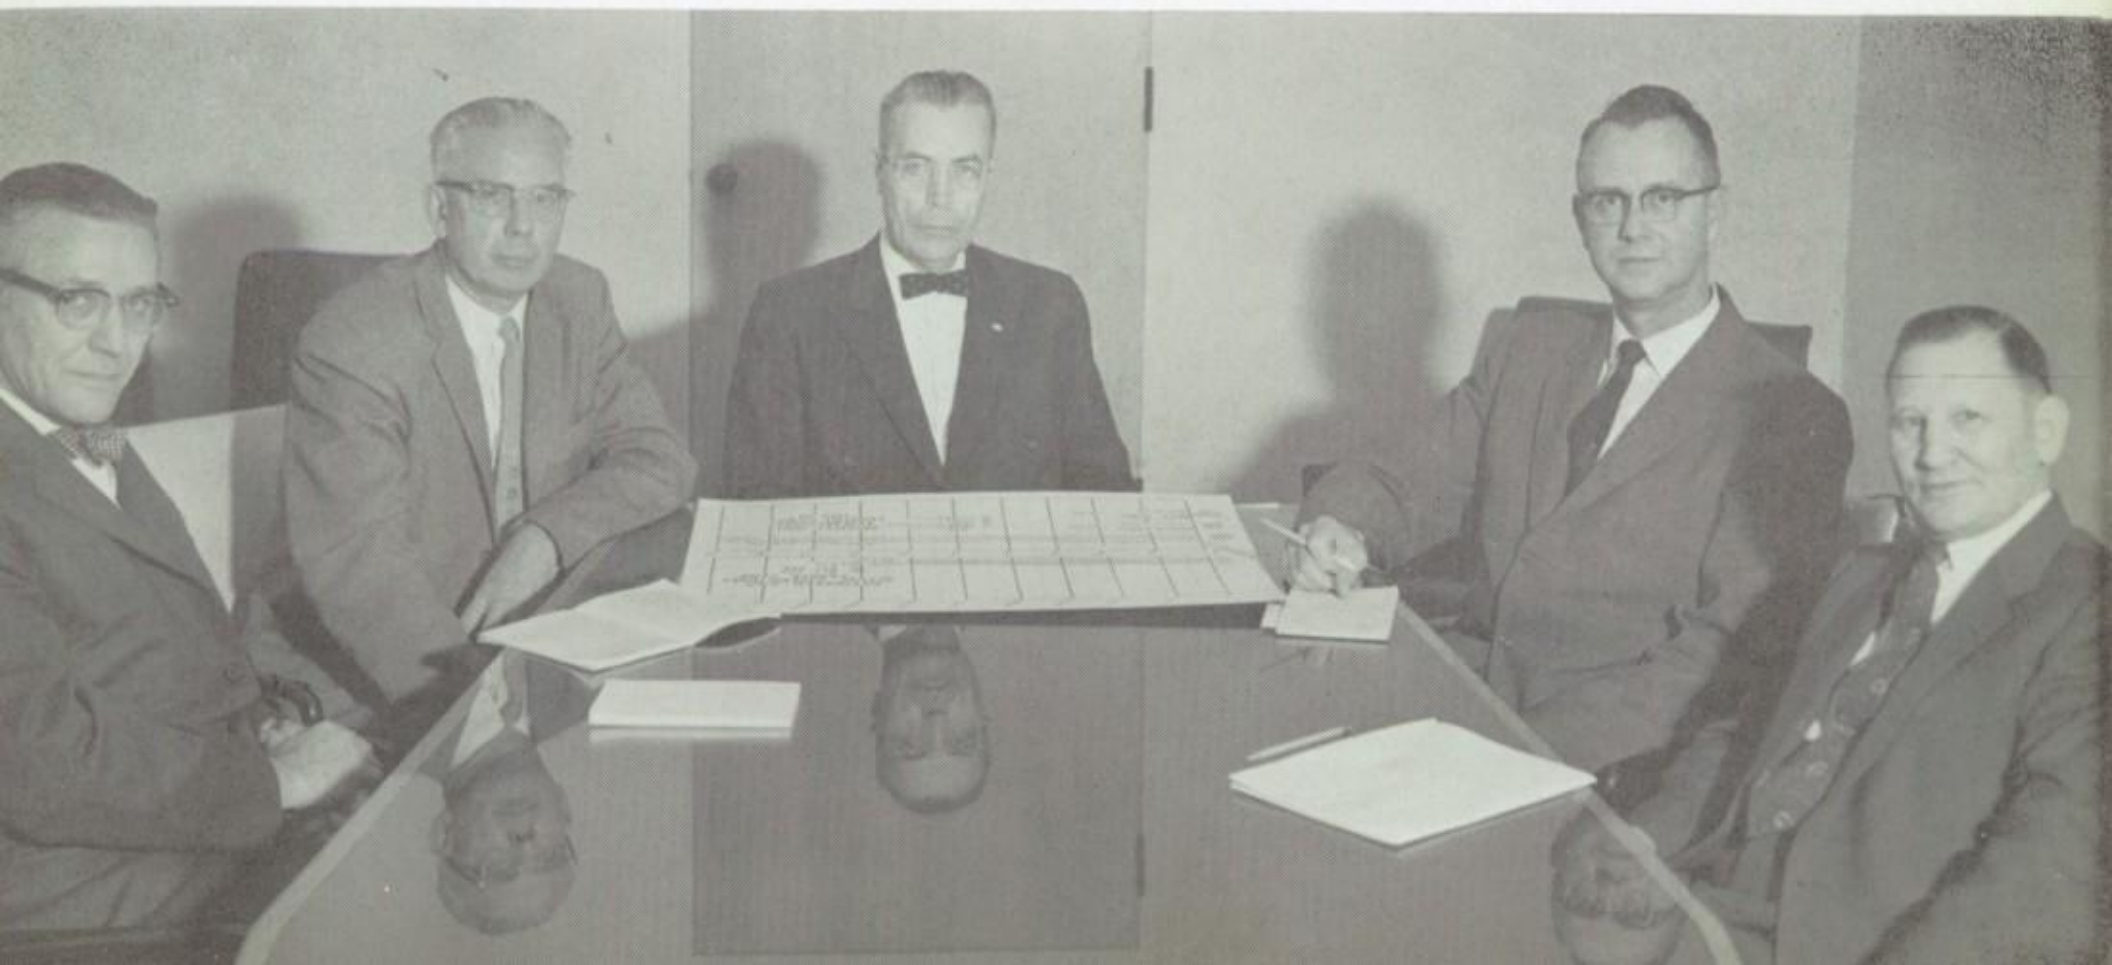
A highlight in the superintendency of Dr. Richards - General Dwight D. Eisenhower arrives for dedication ceremonies of Campus building.

Dr. Richards did not rest on his laurels as is attested by the construction of the Southwest building in 1957 and the opening of the Northwest Building this fall, to accomodate the exploding school population in the district. In anticipation of an estimated school enrollment of 6000 by 1965, the board is in the process of purchasing a fifth site at 115th and Cicero Avenue to meet this demanding situation.

Dr. Richard's influence has been too great and too valuable to be restricted to Blue Island High School. He has occupied the presidency of the Council of Principals of the South Suburban League since 1935. He has served as chairman of various county, state, and national educational committees and as President of the Secondary School Administrators of the Southern Area of Cook County. Dr. Richards is the founder of the Association of Suburban Conferences and has served as the president of this organization since 1950. The Association has a membership of over sixty schools and serves as a clearinghouse for problems and makes recommendations affecting member schools in the metropolitan area of Chicago. Within the community, Dr. Richards is a member and Past President of the Lions Club, and a Past Commander of the American Legion.

As an able administrator and a giver of wise counsel, Dr. Richard's greatest tributes are imprinted on the memories of those fortunate to know him. His accomplishments over the past 25 years bring an overwhelming sense of appreciation to the community, the students, and the faculty. In partial expression of this feeling, the Chips staff dedicates this 1960 volume to him.

Dr. Richards confers with his administrative assistants; L. to R. - Mr. Clyde Blanke, Mr. Rollin Pooler, Dr. H. L. Richards, Mr. Russell Miller, Mr. Birt Frobish.



COMMUNITY HI-LITES

News Concerning Community High School, District 218

Northwest Formally Enters

Community High School Family Circle

A crowd estimated at 650 persons saw the magnificently new modern Northwest high school unit formally dedicated Sunday afternoon.

"You who deserve the honors are you the taxpayers emphasized Dr. H. L. Richards, superintendent of the huge District 218. Dr Richards however pointed out that the unit construction cost was gratifying and astonishingly low at $12.67 per square foot.

The structure fully equipped and fully completed represents about $1,500,000.

George Wilkins, state superintendent of schools, pointed out certain advantages of the "2-2" plan of separation of 9th and 10th graders from juniors and seniors.

The proximity to going to school to homes and the chances for freshman and sophomores to develop in their own age levels are two of them.

Robert Nicol who represented his father, Charles Nicol, who was ill and couldn't attend, pointed out that a Community High graduate, Donald Duff, an employe of the firm of Nicol and Nicol, architects, was the supervising architect on this building working with Tom Steen, general superintendent of the firm.

He thanked Mercury builders and all other major contractors and others who aided.

Introduced also besides the main speakers were Dorothy Cruise, assistant principal; Board Members Glen Hansen, Edward Lode, Elbert T. Smith and Harry Schult, secretary. In the audience were many municipal officials including Pres. Alsterda of Alsip. Mayor Hart who arrived just after the program started did not push his way through the crowds to the auditorium.

George Dring, president of the High School Parent-Faculty Association, was also recognized from the audience.

Those unable to attend Sunday's Open House will have the opportunity to tour CHS' new northwest buildings at the PFA meeting the evening of the second Monday in January, Mr. Dring pointed out.

Most visitors remained for the reception and tours.

The program was as follows: Introductory music by Northwest Building Cadet band under direction of David N. Campbell. Dr. H. L. Richards presided as master of ceremonies, introducing Robert Heindel, Jr., for pledge of allegiance of the flag following National Anthem.

Rev. Paul Zeman, pastor of the Worth Methodist church, gave the invocation followed by an address by County Supt. Noble J. Puffer. Following musical selections by the NW Building Girls' Chorus George T. Wilkins, state superintendent of public instruction, gave a short address.

Architect Robert Nicol then presented the key of the building new structure Gus Termunde who resides in the area of the new structure.

Prior to the open house tours and refreshments, Lloyd J. Lowe, building principal, welcomed the crowds.

Mrs. J. Campbell, librarian, shows facilities of new building to interested visitors.

George T. Wilkins, superintendent, State Department of Public Instruction, was one of the chief speakers at the dedication.

Noble J. Puffer, Cook County superintendent, addresses gathering at Northwest dedication.

Lloyd J. Lowe, principal of the Northwest Building, closed the formal dedication of the beautiful new building.

Following the dedication, refreshments were served in the school cafeteria.

A DEDICATED GROUP . . . OUR BOARD OF EDUCATION

Mr. Ray Termunde, member, Dr. Kenneth J. Smith, member, Mr. Elbert T. Smith, member; Mr. Leslie I. McCord, president; Mr. Harry C. Schuldt, secretary; Mr. Glen Hansen, member; Mr. Edward Lode, member, and Dr. H. L. Richards, superintendent.

NORTHWEST DEDICATION . . . SUNDAY, NOVEMBER 29th, 1959

The newest addition to the Blue Island family was formally introduced to the public at the dedication ceremonies held on Sunday, November 29th.

Dr. H. L. Richards, acting as master of ceremonies, introduced the main speakers, Mr. George T. Wilkins, Superintendent of the State Department of Public Instruction, and Mr. Noble Puffer, Superintendent of Cook County Schools. The latter highly praised the fine facilities of the new building.

Entertainment was provided by the Northwest Cadet Band and the Girls' Chorus. Following the dedication, the public was invited to partake of refreshments served in the cafeteria and to tour the classrooms of new Northwest.

Architect Robert Nicol presents "key" to Northwest building to board member Mr. Ray Termunde.

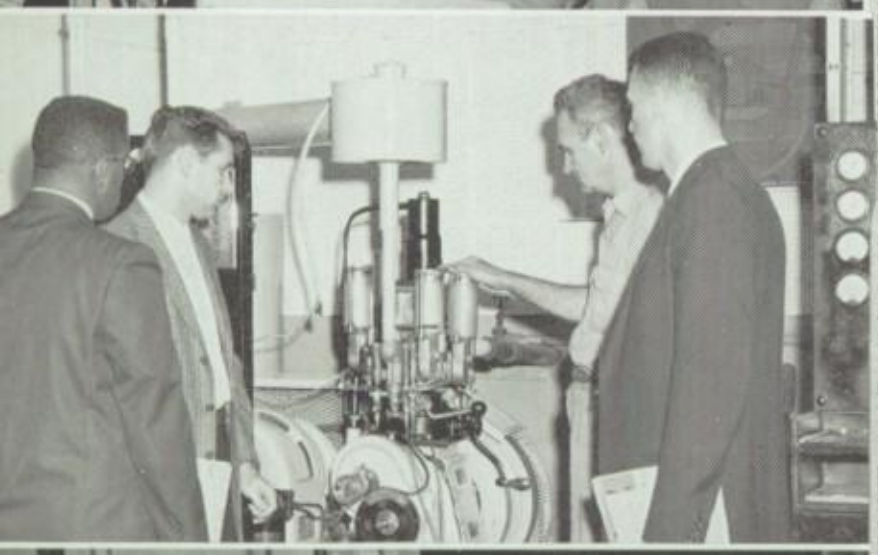
News Concerning Community High School, District 218
KNOW YOUR COMMUNITY DAY



Teachers To View Industries

Next Thursday, Oct. 22, Community high school will stage its 9th annual "Know Your Community Day."

This year Supt. H. L. Richards stated that 13 of the leading industries and businesses in the District 218 school would co-operate by conducting small groups of teachers on a thorough-going tour of their individual establishments. Plans for the afternoon are to have the teacher groups report to their tours at 2:30 Thursday afternoon. Each group will spend approximately two hours learning about the operations of the firm it visits.

Special Guests Invited

As has been the practice in former years, special guests have been invited to accompany the teachers on their tours.

So far, those invited have accepted and will be present on the tours:

Elbert T. Smith, member of the Board of Education of the High School District; Hobart Engle, Assistant Superintendent of the Cook County schools; Lloyd Holmlin, Executive Vice President of the Blue Island Chamber of Commerce, and Hill Lakin, editor of the Blue Island Sun-Standard.

Alphabetically in order, the firms cooperating with the high school administration in staging the tours are as follows: The Blue City Hall where Mayor John M. Hart and John Joens, City Clerk, will show the visiting teachers how a modern and debt free city is operated. Robert H. Brieskorn, Jr., and Emily Brieskorn will conduct the group going to Blue Island Specialty Co., showing them how dental and surgical instruments are made. Angelo Lazzara of the Blue M Electric Co., makers of oven and furnace controls, will direct his group in its tour. The Clark Oil Co., with John A. Crawford and Earl Rousseau as tour conductors, will demonstrate processes in the oil and gasoline production line.

At Enterprise Wire, Frank Hedrick and Tom Cullin will be the conductors of the teacher group visiting there. Another group will tour Formold Plastics under the guidance of Kenneth Dahl and Tom Neely. G & W Electric will have E. P. Carr, L. E. Brees, and A. J. Mowat to guide their teachers about the extensive plant. Frank Travis and William Stockdale will be hosts of the group touring Great Lakes Screw Co., in nearby Riverdale.

The mechanical monsters of the Illinois Bell Telephone system will be shown by Elinor Kirkseng and Dorothy Wawcark. The extensive canning process of Libby, McNeil, and Libby will be demonstrated by H. T. Carey and Laura G. Guglielmucci. At Malance, G. V. Malmgren, Jr., and C. H. Plegman will demonstrate both their work in insulation and in the die cutting of fibrous materials. James H. Kellog and W. E. Ferguson will direct their teachers about the Robertson Transformer Co., and Mrs. Marcella Paetsch and Mrs. Harriet Hill will direct the hospital tour at St. Francis.

After the tours are completed, teachers and hosts will return to the Campus cafeteria for a 5 dinner where each group, sitting at separate tables, can learn more about the operations of the industries they have toured.

DIVERSIFIED OCCUPATIONS PROGRAM

The Diversified Occupations program at Community High School is in its eleventh year of operation. The program affords students the opportunity to work at a trade while still in school. Students spend mornings in school and afternoons in the various places of employment receiving job training.

The program is sponsored by the Illinois State Board of Vocation Education and is open to juniors and seniors, who are sixteen years of age or over. Mr. Kenneth O'Kane is the faculty co-ordinator.

Mr. O'Kane pays a visit to Hollenbeck Drywall Associates where Don Briggs is employed as a drywall finisher and taper.

Mr. Ernest Ohl, owner of Colortone of Illinois examines silk screening work of trainee Edward Ruble. Mr. Ohl was a member of the original D. O. class eleven years ago and is the first such member to employ a present member of the program.

Before you start cutting hair you must receive instruction. Mr. Manos, owner of Christ Beauty Shop, is giving our beautician trainee, Dixie Wetherall, the lesson.

Jim Chica is making adjustments on a Gordon press under the guidance of Harold Volp, president of the Blue Island Publishing Corporation.

Dave Smith knows his poinsettas. Mr. Weekman always has Dave select the best plants.

Ken Henschler, former D.O. student, is showing Bob Bennett how to do the job. Bob is in his second year with Formold Plastics.

George Bard is priming a fender, while Mr. Janowitz of Hoeffel-Goy, looks on with a critical eye.

Mr. Kristie of Hoeffel-Goy, Inc., checks Don Billish on the accuracy of his estimate for repairs. Don hopes to be a manager of a body shop in the future.

DEBATE TEAM

Debate is the presentation of ideas supported with evidence and logic. The debater must prove all remarks presented. This then requires a considerable amount of research. Terry Moynihan and Jim Werner are shown seeking information to support the 1959-60 topic; Resolved: The U.S. government should substantially increase the regulation of labor unions.

John Hauck and Glenn Woike, as negative debaters, are searching for materials to refute this years contention; during the season they supported the status quo.

Debate follows many different forms. One is that of cross examination. In such a debate members are permitted to ask questions of the opposing team. Terry Moynihan is asking questions of Lynn Voich, in preparation for just such a debate.

The debaters, along with fifty one other debate teams, participated in a tournament at Augustana College in Rock Island, Illinois. Miss J. Rowley, at the moment of the picture, was presenting the order of events for this three day trip. Also pictured is Mr. B. A. Lyons, the coach.

The A Cappella Choir was one of the busiest organizations at B.I.C.H.S. Miss Hazel Kennedy molded this group into a versatile singing organization heartily received at each of many performances. The choir performed at the Awards Assembly, Old Main, Southwest, Northwest a P. F. A. meeting, and the LaSalle Street station during the Christmas holidays. The choral group featured their version of "Manhattan Towers" in their many appearances. Miss Kennedy's singers concluded a brilliant year with the presentation of Irving Berlin's "Annie Get Your Gun" on March 16th in the gymnasium.

Kay Jacobs had leading roles in "Manhattan Towers" and "Annie Get Your Gun".

Miss Kennedy directs choir in their rendition of "Carol of the Drum" at the Christmas Concert.

JoAnn Kelley was featured as a soloist during the choral groups appearance at the LaSalle Street Station.

Practicing dance routines for "Manhattan Towers" are (l. to r.) Jim Hartley, Kay Jacobs, Glenn Nagle, Jane Dreger, John Patches, Roberta Gehring, Glenn Woike, Carol Tyson.

Professor Eric Franker was featured at the organ at the Christmas Concert.

VARSITY FOOTBALL TEAM

The 1959 Gutches-guided Cardinals turned predatory in shredding seven of eight opponents on the field of battle. Five opponents left the arena dejected and dazed upon being whitewashed by the superior behemoth defensive unit of B.I.C.H.S. The sole loss was suffered at the hands of Argo when the Cardinal juggernaut was unable to function smoothly until the second half. The loss meant sharing the conference title with Thorton, one of the Cardinal victims. Scores:

Tom I've known
you for a long
time and I hope
we have been friends.
We've done a lot of
things gone a
lot of places
to. But I
still hate
ya.
Your Buddy
handsome as ever
Ken

Tom,
Hope to see
you next year.
Jim Johnson

Tom
To a real good friend.
It's been nice knowing
you these past years.
Best of Luck at the
campus next year.
Jim Selmin

Tommy,
So a real nice guy, who was almost like a brother, and a lot of fun always. Hope we always stay real good friends. take real good care of yourself, and be a good Kid. I know you'll always be happy, and get what you want out of life, good luck. "Take good care of your sister too."
your friend
